

**CHIRON AND  
SPIRITUAL  
TRANSCENDENCE  
IN 2024**

Chiron is often associated in astrology with wounding, but in my experience, it is really a drive within us to transcend the visible world that we see. Plus, it would make no sense for us to have a drive to wound ourselves. Traveling between Saturn and Uranus, Chiron is a bridge between the known and the unknown, and in its purest form, it is a sweet, joyous, enlightening sensation. But for many, the hard Saturnian shell that they have erected around their reality has to first be cracked before the light can enter. As I often say, you can't make a cosmic omelet without cracking a few cosmic eggs!

**Jupiter  
 conjunct  
 Chiron**

Past Jupiter/Chiron conjunctions have brought us television (Taurus), the United Nations (Libra), the Beatles (Pisces), **Star Wars (Aries)**, Harry Potter (Cancer), and Obamacare (Aquarius). I expected the March 11, 2023, conjunction in Aries to put a focus on **individual spirituality** like the Jedi of Star Wars.

## Everything, Everywhere, All At Once!

And sure enough on the very next day, what was anticipated to be a small movie called **“Everything, Everywhere, All at Once”** swept the Oscars to become the most award-winning movie of all time. This wonderful film checks all the boxes on transcendent spirituality and spiritual warriors.

From **1972 to 1975**, transiting Chiron made a series of oppositions to natal Saturn and a series of conjunctions to natal Chiron in all of the July 1776 charts for America. These aspects triggered wounding, healing, and transcendence, and the major story during this period was the Watergate scandal, and the work of the Senate's select committee to investigate President Nixon and that scandal was one of Congress' finer moments. Also, the environmental movement and **Roe v Wade** were in the news.

Using a 2-degree orb, the last two Chiron returns for America will span about a 6-month period from October 2024 through March 2025. Also, transiting Chiron will be within 2-degrees of and re-activating the April 8<sup>th</sup>, 2024, eclipse point during approximately this same period. Thus, for those who have laid the spiritual groundwork, this could be a time of great healing and spiritual transcendence.

On June 13<sup>th</sup> and September 1<sup>st</sup> of 2023, I had Chiron in opposition to my 6<sup>th</sup> House natal Neptune. Fortunately, I did not experience any severe health problems. What did happen was a complete inner, spiritual re-orientation that is difficult to describe. I also began doing a type of mindfulness meditation for 45 minutes each morning and I wrote a 72-page spiritual diary of all my insights that I call "Thus Spake Christopher".

This opposition will be exact for me again on April 6<sup>th</sup> and December 4<sup>th</sup> of 2024 and on January 23<sup>rd</sup> of 2025, and I'm hoping for more of the same!
