

SEFER YETZIRAH 4.10

משנה י': (בבא ג') המליך אות ד' בזרע וקשר לו כתר וצרפן
זה בזה וצר בהם חמה בעולם יום שלישי בשנה ונחיר ימין בנפש
זכר ונקבה:

4.10: He made the letter Dalet king over Seed, And He bound a crown to it, And He combined one with another And with them He formed The Sun in the Universe Tuesday in the Year The right nostril in the Soul, male and female.

(Rabbi Aryeh Kaplan translation)

4:10 IT made ruler the letter dalet in seed and connected to it a surrounding circle and combined this with this and formed with them Sun in the world, day three (Tuesday) in the year, and right eye in the person, male and female.

(Doc Benton translation)

Astrologically, the *Sun* represents the self, our own ego, and I try to be secure in my true self on *Tuesdays*. Additionally, *dalet* also represents both *da'at*, *knowledge*, and *seeds* for the future, and on *Tuesdays* I want to be established in higher *knowledge* and plant *seeds* for the good days to come.
