THE LUNAR MONTH FOR TRUMP

June 14– July 14

Last Month Review

Summary:

Trump

- Much of this lunar month will be good financially and healing for Trump for both body and reputation (t. Pluto trine n. Neptune in the 2nd House, t. Jupiter conjunct n. Saturn & Venus, Jupiter sextile n. Midheaven, and t. Chiron trine n. Ascendant).
- From the last week of May through the end of the lunar month, Trump may be more delusional than usual (t. Neptune in 8th House opposite n. Neptune in 2nd House).
- Wounding from past actions will begin in the last week of the lunar month and will continue into September (t. Saturn in the 8th House opposite n. Chiron in the 2nd House).

Trump

- **Right before the start of the lunar month, Trump had a high profile visit to China**
- **Artificial intelligence describes Trump's mood this month as dominance-seeking, narrative-hungry, thin-skinned, and visually and symbolically oriented.**
- **Trump has made several false. grandiose, or delusional statements including that the cognitive test he took was an intelligence test, that his Anti-Weponiztion Fund has many precedents, that gas prices are coming down substantially, that consumer confidence is way up, that an agreement with Iran on handing over their enriched uranium and opening the Strait of Hormuz is immenient, and that the ballroom, the triumphal arch, and the painting of the reflection pool are all needed. Additionally, he has mused about making the stage for the White House UFC fight a permanent structure.**
- **Financially, Trump has benefitted from the federal tax-immunity settlement granted on May 21 that may save him more than $600 million in federal taxes.**
- **Trump was given a clean bill of health by his doctors.**
- **In the last week, Trump walked out of a "Meet the Press" interview, had his name removed from the Kennedy Center, and has had Republicans oppose him on Iran & the White House Ballroom & the $1 billion dollar payout fund & Ukraine aid & Russia sanctons & the nominaton of Bill Pulte as acting Director of National Intelligence.**

Summary:

Trump

- The lunar month will begin well for Trump. (t. Jupiter conjunct n. Venus)
- Nonetheless, Trump will be susceptible to wounding, financial and otherwise, throughout the lunar month. (t. Saturn in the 8th House opposite n. Chiron in the 2nd House)
- However, transiting Chiron will throw him a lifeline and help him heal. (t. Chiron trine n. Ascendant)
- The 2nd/8th House axis will be further stimulated by transiting Neptune which could lead to deception, issues involving the resources of others, Trump's money, treachery, and/or delusional thinking. (t. Neptune in the 8th House opposite n. Neptune in the 2nd House)
- Still I expect him to continue to prosper financially, even if through hidden means and deception. (t. Pluto trine n. Neptune in the 2nd House)
