On **April 12, 2022**, Jupiter will align with the planet Neptune resulting in a magnification of a drive that aims to dissolve the boundaries and barriers between things. This is what I call the “weather report,” and it is all that I know for sure. Everything else is just speculation.

During the first five months of the year we will experience not only t. Jupiter square n. Mars, opposition n. Neptune, and conjunct t. Neptune, but t. Sun, t. Mercury, and t. Venus will do the same.

A lot is going on with Neptune in 2022, and we may speculate about what might have a reasonable chance of manifesting. Some keywords related to Neptune are spirituality, opioids, psychedelics, cannabis, misinformation, seclusion, fanaticism, progressive politics, and all liquids.

For America, this conjunction promises both vision and fanaticism. But to better understand what might be, let's first revisit the past.

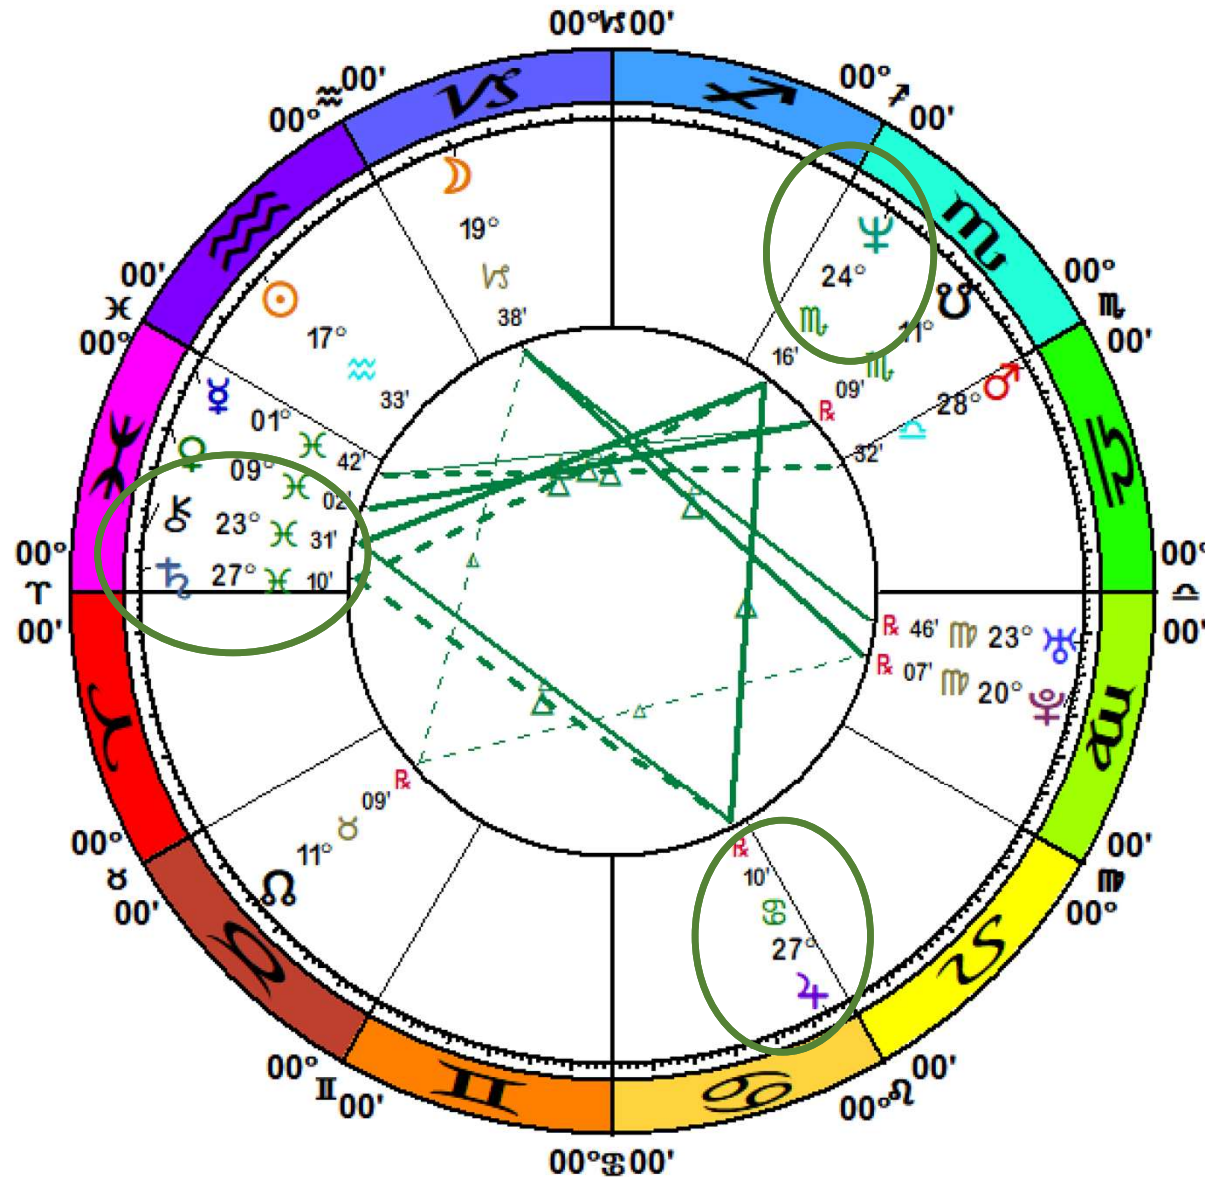

And now little bit of history ...

The waxing trine in 2013 showed us how we are trying to express Jupiter/Neptune, and at the 2022 conjunction the lessons we've learned will be assimilated. But at the same time, it is also a new beginning.

- Jupiter will magnify the influence of Neptune in Pisces
- Since the trine in 2013 we've seen expansion in cannabis research and legalization and in nonbinary relationships, but also huge increases in Fentanyl deaths and in misinformation
- And there are many other things also associated with Neptune in Pisces, both good and bad.

Partial Solar Eclipse!
4/30/2022

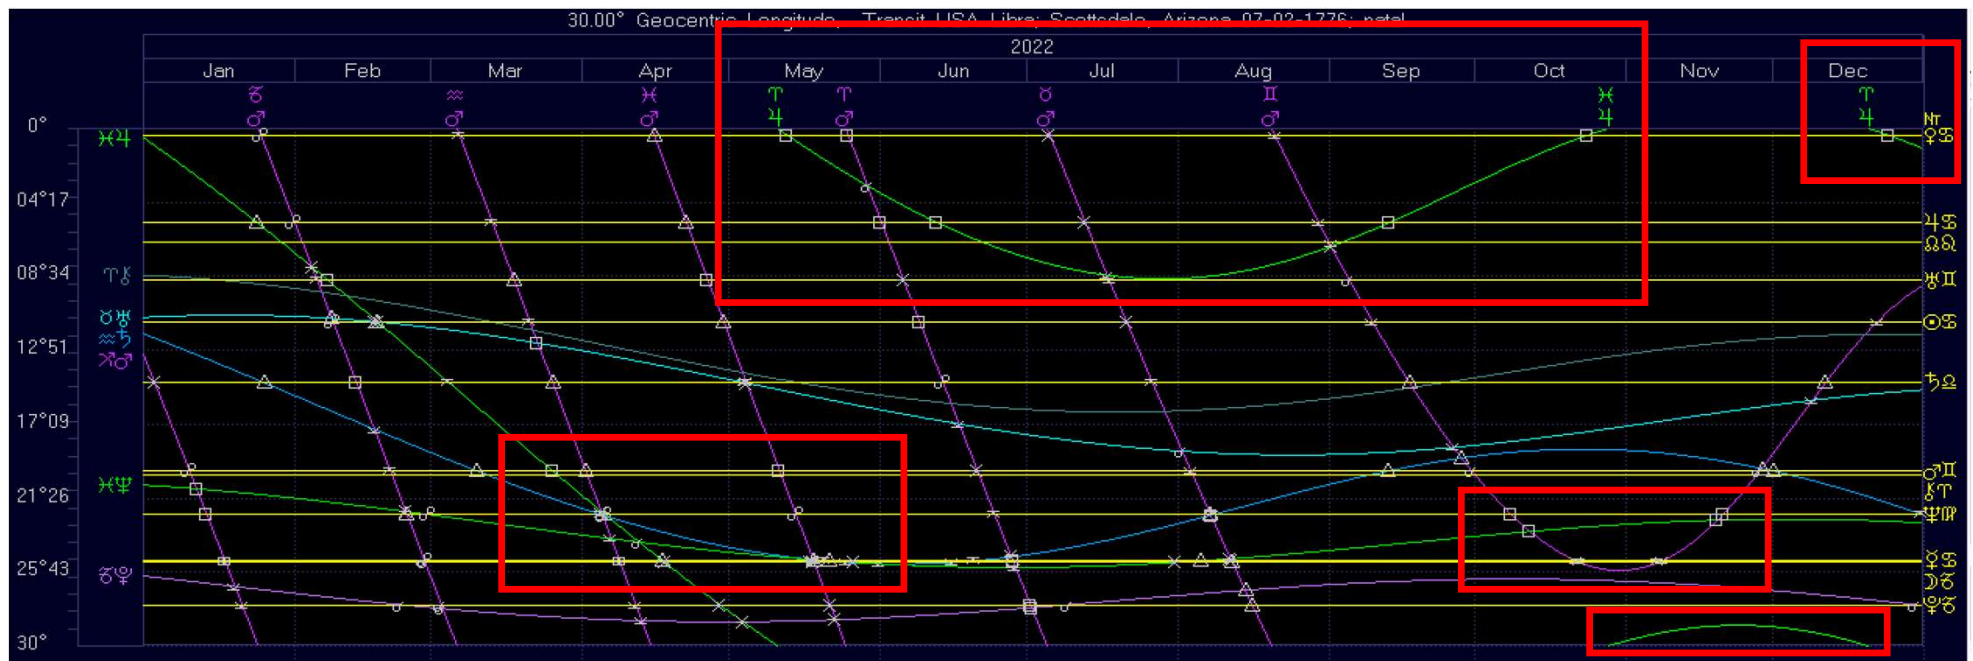

For both America and the world at large the April 30th eclipse holds some promise.

- For the world, Saturn in Aquarius squares the lunar nodes. Democracy as a tool of justice and the will of the people moves forward.
- In America, Chiron is opposite Saturn in the USA chart. As a nation many will continue to work to make the light within the reality without.

Jupiter's entries into Aries may foreshadow what will happen when Neptune enters Aries. The graphic ephemeris below shows this and other critical periods.

“So this conjunction (Saturn conjunct Neptune) is about popular insurrections that are usually fired by ideological beliefs.”

-André Barbault, *Planetary Cycles Mundane Astrology*, 2014

A NEW HOPE

The good news for humanity is seen in the beneficial aspects that will occur between Uranus, Neptune, and Pluto in the 2nd half of the decade. This is reminiscent of the conjunctions in 577-574 BCE that saw the birth of Taoism, Confucianism, Buddhism, Greek philosophy, and the writing of the Torah.

THE BOTTOM LINE

Are we at the beginning of another Civil War? Right now I think we are too intertwined for a repeat of 1861 to occur. However, Governor Ron DeSantis recently announced his intention for Florida to create its own militia, and even without open warfare we are still in severe social conflict right now. I expect things to get worse in 2022 with misinformation, protests, sporadic violence, heated legal battles, and Supreme Court decisions that may exacerbate the situation. However, the natal opposition of Chiron in Aries to Saturn that will be activated by transiting Chiron points to the way in which America is exceptional. We seek to reveal the spiritual nature of the individual, and that is our hope for the future.

mission for 2022?
Simple!

*“This little light

gonna let it
shine!”*

If we focus more
on creating beauty
and less on just
reacting to others,
we might survive.
