Chiron continued ...

- Wounding or transcendence?
- Retrograde on July 23
- Climate change
- Mass shootings
- Woman's right to choose
- Political wounding
- Some in government doing the right thing
- We're repeating Watergate and the early 70s

Transit to Natal:

[illegible]

From **1972 to 1975**, transiting Chiron made a series of oppositions to natal Saturn and a series of conjunctions to natal Chiron in the July 1776 charts for America. These aspects can trigger either wounding, healing, or transcendence, and the major story during this period was the Watergate scandal and the Senate's select committee to investigate President Nixon and that scandal. Also, the environmental movement and **Roe v Wade**.

♄♂♂ (20Υ06, 20Υ06)												
2023	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec

We are now experiencing both astrologically and in terms of events over the years from **2022 to 2025**, things that are similar to what we saw in the seventies. So far during this period we've seen the work of the January 6 Committee and ongoing investigations and indictments of Donald Trump. Also, climate change and **Roe v Wade**.

NEW MOON AUGUST 16

- On August 16, 2023, the next Lunar Month begins
- But that's a story for another day!

My studies on how this Lunar Month will affect the world in general foresaw the potential for a lot of chaos and drama between July 17 and August 16. Fortunately, the outlook for America appears better. Certainly, we are still dealing with self-inflicted wounds and still struggling to preserve our democracy, but the Lunar Month ahead also contains the potential for many good things to happen to America. Things based on compassion, innovation, spiritual transcendence, and adhering to our highest ideals. The ultimate outcome, though, depends not upon the stars, but upon each of us. The science of astrology can inform us about the hand we've been dealt, but beyond a point it says nothing about how we will play the game. Ultimately, it's our choices, individually and collectively, that will determine our final fate. Hence, may we all choose wisely!
