

**WHY I WAS WRONG IN MY
BELIEF THAT BIDEN
WOULD DO WELL IN THE
FIRST DEBATE AND WHY
THE ASTROLOGY STILL
WORKS**

Astrology is very much like quantum physics. In quantum physics, we never know exactly where an electron is going to be located until we do a measurement. All we have to work with is a probability curve that gives the likelihood that the electron will be found in this location or that location. Likewise, in astrology, any particular influence can manifest in a variety of different ways, and we have to formulate a subjective probability as to whether it will manifest in this way or that way. That estimation is guided by our knowledge of the individual and how they many have responded to events in the past.

Many times, my analysis of various events, both before and after the event, has been pretty much on target. And this includes ...

- Why cannabis has been legalized in so many states.
- The emergence of a spiritual warrior motif and an enduring, transcendent concept around the time of the 2023 Jupiter/Chiron conjunction in Aries. (“Everything, Everywhere, All at Once” and the concept of the multiverse)
- The astrological cause behind the Baltimore Bridge collapse.
- The astrological cause behind the attack on Israel by Hamas.
- Both wounding and lifelines for Donald Trump.
- Power shifting from individuals to groups.
- Political turmoil for America.
- Political turmoil for Netanyahu.

- Possible illness or change in status for King Charles.
- The astrological causes for the cancers of both King Charles and Princess Kate
- A possible change in royal or political leadership in the United Kingdom.
- The possibility of a wider Middle East war involving Iran happening around April 8, 2024.
- Anguish for President Biden over the fate of his son, Hunter.
- Advances in technology. (artificial intelligence, nuclear fusion)
- Why we are seeing so much political division in America.
- Why 2024 may be the “Year of Wounding.”

So, I was right about many things, but I was wrong about my conclusion that Biden would do well in his first debate with Trump. However, even though my estimate was wrong, the astrology still works. Let's see why.
